Auto Draft Enrollment

Attention homeowners! Your account balance may be inaccurate as we are transitioning your account information to our new software. Please pay your typical assessment amount. Thank you for your patience.

We are pleased to offer Automatic Draft for your Association's assessments, free of charge! Under this Auto Draft agreement, your regularly scheduled Assessments will be automatically drafted on the designated day of your Association's billing cycle. With Auto Draft, the draft amount will automatically change according to your Association's yearly budget, so you won't have to make any changes when your Assessment balance increases or decreases.

In order to enroll in Auto Draft, your account balance must be paid in full. If you have a balance due, you can submit a one-time eCheck payment to bring your balance due, and then return to this page to enroll in Auto Draft. Make sure to edit the start date for your next assessment due date. We are unable to accept money market, savings and non-checking accounts. Please use a checking account to ensure that your payment is processed successfully.

Please keep in mind that this authorization is for your regularly scheduled Assessments only. If you have a question about your draft or the best payment option for your unique situation, please submit a Billing Question to our friendly staff through your Submit a Request page. We are always glad to assist!

All Recurring ECheck Payments

Attention homeowners! Your account balance may be inaccurate as we are transitioning your account information to our new software. Please pay your typical assessment amount. Thank you for your patience.

By using our recurring eCheck payment method, you can setup a recurring payment on monthly or quarterly basis. With recurring eChecks, you control the date that your payment is made. Recurring eChecks can be edited or deleted online at any time and there are no processing or setup fees! At this time, we are unable to accept money market, savings and non-checking accounts. Please use a checking account to ensure that your payment is processed successfully.

It is very important to note that by using the recurring payment method, the assessment amount will not automatically update according to your Association's Assessment amounts. If your community changes the assessment amount, you will need to come back to this page and update your recurring eCheck to reflect the balance due for your account.
